### OVERVIEW

Interlace Emergency Grants are intended to mitigate the harmful effects of emergency situations and crises. These grants are meant to function as small interventions and expressions of support and solidarity with local artists.

Interlace Emergency Grants are open to self-identifying visual artists whose primary residence is within a 10-mile radius of Providence and in the state of Rhode Island.

From September 2021 through April 2022, a total of \$1250 per month will be distributed monthly in grants of \$100 - \$500. Applications due the 7<sup>th</sup> of each month. Grantees will be notified by the 21st of each month. Grants will be awarded via a randomized lottery of all applications deemed to be complete and meeting eligibility requirements.

If applicants do not receive funding, they may re-apply. Applicants may only receive one Emergency Grant between September 2021 and April 2022.

*In the spirit of generosity and compassion for fellow visual artists, applicants are encouraged to apply using the honor system: if you do not need this grant to mitigate the effects an emergency situation, please consider forgoing an application to increase the chances for whom these grants would be most beneficial.*
